SEDA November Show Night

We are proud to announce the line up for the November Show Night following the outstanding success of the September meeting, which had the biggest turn out ever! We hope that all of those that attended the last meeting will be back for more and those that could not make it will not miss this next Show Night.

With the Show night comes the New Generation Seda Quiz, unlike any quiz that has been before; every member will have a chance of winning the new trophy. We welcome Deltec Speakers, who will be showing their entire range on the night. By membership demand Mr. Glowsticks.co.uk are coming back (Don't forget, Last chance to stock up before Christmas), SEDAshop and 2 New Members shows will also be around for the night.

Your committee has been working very hard getting these show nights together, keeping the Seda Website up to date, finding new ways of promoting your businesses and much more, with the AGM approaching in March we are on the look out for some new Committee Members who could have something to offer. If you have some spare time and enjoy working in a forward thinking team, eating pizza and have something to offer, just drop us a line or have a chat with a Committee member.

Don't forget the SEDA Website is for you, each Full member has webspace sitting there for the promotion of their business, a chance to put your words and pictures on a very busy site, that a lot of members are getting enquires off. All you have to do is contact, webmaster@seda.org.uk and the rest is easy. You have nothing to loose!

I Look forward to seeing you on the 19th, and wishing you a Happy Christmas. John Kidd, Chairman.

How to get there:

From the M20, exit at junction 6. At the first roundabout take the 3rd exit signposted A229 Hastings, at the 2nd roundabout (Running Horse roundabout) take the 3rd exit signposted Aylesford. The hotel is located 100m on the left hand side on Forstal Road. Please note that if you use TomTom navigation, the postcode takes you to the middle of nowhere!
